On October 18, 2009 the Farmingdale Federation of Teachers joined forces with seventeen thousand walkers in the American Cancer Society's "Making Strides Against Breast Cancer" walk. Cold temperatures and driving rain did not dampen the spirits of these dedicated volunteers. Everyone at the event was warm-hearted and invigorated by the will of so many to make a difference.

"I would like to thank all the courageous souls that braved the elements as well as all those who sponsored the FFT team for such a worthy cause. The FFT raised a total of \$5,752. A special note of gratitude goes out to Leigh Melore for doing such an awesome job raising money for the fight against breast cancer. I am confident that, united, we can help to defeat evils in this world such as breast cancer".
